## *Power of Collaboration Campaign* a Corporate Challenge for Our Community

JOIN US TO MAKE A DIFFERENCE!

Three Valleys Community Foundation is pleased to announce the launch of the *Power of Collaboration Campaign* – a special challenge for corporations and businesses in our region.

Thanks to a generous lead gift by [Amazon](#), this unique opportunity launches the creation of our first grant-making fund to target key community issues and strengthen 3VCF as a philanthropic and geographic anchor.

Join 3VCF to bring the **collaborative** power of our local **corporations** together to support community **causes** and local needs. With every gift received, 3VCF will set aside 50 percent for the *Power of Collaboration Campaign* – with grantmaking designed to address some of the most compelling and complex issues in our area.

“Amazon is committed to providing support to the communities where employees and customers live and work. Three Valleys Community Foundation has the potential to transform the impact of the Tri-Valley’s philanthropic generosity. We know that organizations like these can act as a catalyst and convener among donors, non-profits, and the community to create exponential impact. Amazon is proud to offer a foundational investment towards the creation of Three Valleys Community Foundation and the Power of Collaboration Fund. We challenge other employers in the Tri-Valley to do the same.”

--Sally Kay, Regional Head of Public Policy and External Affairs for Amazon.

**Our goal? To provide \$500,000 to local nonprofits via grantmaking in 2023.**

Three Valleys Community Foundation is an 501c3 nonprofit organization, IRS Federal Tax ID # 87-1782380. Contributions are tax deductible.

Three Valleys Community Foundation 5960 Inglewood Drive, Suite 201, Pleasanton, CA 94588-8611 3VCF.org

## *Power of Collaboration Campaign* a Corporate Challenge for Our Community

The *Power of Collaboration Campaign* will focus on the community causes central to the vitality of our region – areas like food insecurity, homelessness and housing affordability, education, health and human services and the arts. It will also supplement many of the individual commitments made by local donors in our region who are interested in **giving, granting, and growing** our community.

Three Valleys Community Foundation seeks to maximize these opportunities – by providing thoughtful funding, informed giving and collaborative action on the most pressing issues in our region. Our guiding principles center around **trust, transparency, and a Tri-Valley focus** (*Alamo, Danville, Dublin, Livermore, Pleasanton, San Ramon and Sunol*). We believe in the power of three – and what can be accomplished when all in our Three Valleys (*Amador, Livermore and San Ramon*) work together – further strengthening our overall impact.

We invite you to partner with us on this mission, via the *Power of Collaboration Campaign*. Help us kick off our 2023 grantmaking and make a meaningful impact!
