- Margaret J. Wheatley

On behalf of Three Valleys Community Foundation (3VCF) board of directors and advisors, we thank you for your unwavering support during our formative years. We have come so far in such a short time which is directly attributed to all who have believed in and supported our mission every step of the way. Reflecting on the past year, I am both humbled and inspired by the many remarkable individuals I have come to know from across our region. They share one thing in common- a desire to make a meaningful difference in the lives of others and the will to make it happen.

3VCF is proud to be your philanthropic anchor- serving as a true catalyst for transformational change by infusing local resources back into the community. Our region's nonprofits are responding to our most critical local needs and 3VCF works to amplify and support their valiant efforts. Over the past year, 3VCF has created unique opportunities to **give**, developed new avenues to **grant**, and harnessed the untapped generosity of our vibrant Tri-Valley to **grow**.

As a result of your collective 'giving spirit', 3VCF successfully launched its 2023 Community Impact Grants, focusing on mental health and wellness. We remain committed to identifying our region's most pressing needs and ensuring that all charitable contributions entrusted to 3VCF are channeled to strengthen sustainable solutions. Together, we can continue to uplift and inspire investment in our community both now and in the future.

It is an honor to highlight our philanthropic journey in this inaugural report and showcase our impact since our 2021 founding. Thank you for igniting the power and promise of philanthropy.
